### Cheerleaders & Tumblers

Every year school try-outs get tougher and tougher in North Texas. It is very important to progress your tumbling skills over a period of time, so you are not panicking or cramming a couple of months before your try-outs. Almost all students who are enrolled in tumbling at CCGT throughout the year have no problem making the squad and without the stress. We highly recommend investing in a tumbling class and/or jump class during the year to be certain to make your try-outs for the following year.
